**Open Field applications – applications between 3 December 2025 - 19 June 2026:**

- Applications are still welcome after the funding competition closes and until 20 June 2025
- Offers made in the Open Field are unfunded
- Interviews held in March, April/May, June and July
- A similar process is followed – supervisor feedback, scoring, shortlisting, interview, further supervisor feedback, offer/reject
- Clinicians with actual/potential funding for a CRTF and other candidates with funding in place should be encouraged to apply in the Open Field rather than in competition for scholarship funding which only provides fees and a stipend
- Applicants applying after 2 December for an unfunded place should be encouraged to apply as soon as possible to secure a college place. College places are very difficult to find after May.

If you have any queries about the process or need advice about when a candidate should apply, please contact Jill Walker at [graduate.studies@rdm.ox.ac.uk](mailto:graduate.studies@rdm.ox.ac.uk)
